APOLOGIES

Bob Forest

TREASURERS REPORT

Expenditure	\$20
Balance	\$7000

GENERAL BUSINESS

Due to restrictions of the COVID 19 meeting was an open discussion on how things were progressing within the club.

Our new system for booking start times is working well with numbers for Saturday competition increasing.

Apart from Ambrose and Four Ball, if at the last minute a person has to pull out of the four it will be OK to play as a three, otherwise we must stick to four.

It was suggested that we change our playing partners from time to time .

Darren has now added SCORE CARDS to the web site for all players to enter their scores, hopefully to make things easier and less time consuming.

As there is still confusion over golf rules it was suggested that "RULE OF THE WEEK" be added to the newsletter and for those interested Mike has an APP that can be downloaded free.

Goose Club, 500 Club will start again when given the OK. No decision on Eagles Nest as we cannot touch the flag for measurement.

In the CIRCLE will start up again, (still \$2000 available to be won now) further discussion as to how prizes will be divided once we get the all clear.

Club has purchased new microphone thanks to Mike.

Noel is going to replace all signs with the new logo and hopefully we can arrange some new sponsors who will have their name at bottom of new signs.

It will be difficult getting sponsors for our games at this stage but if we know of any one it would be appreciated.

In closing many thanks must go to Darren for his many hours he has spent putting the new system in place making our club more professional and moving forward. THANKS DARREN

Meeting closed 6.30pm.
